

## UEFA Nations League Finals™ 2021 Stadium Rules and Regulations

### Scope

These Stadium Rules and Regulations, together with the relevant national or local applicable laws and any policies and procedures in place in respect of sanitary measures, shall apply to all ticket and/or accreditation holders who enter stadium premises used in connection with the UEFA Nations League Finals™ 2021, which is owned by Union of European Football Associations (hereinafter "UEFA") and organised by the Italian Football Federation (FIGC), hereinafter the "Host Association".

The stadium (hereinafter "Stadium"), as referred to in these Stadium Rules, shall include all areas within the stadium premises and its immediate vicinity where a UEFA Nations League Finals™ 2021 match will be played, is played or has been played that are only accessible with a UEFA Nations League Finals™ 2021 match ticket (hereinafter "Ticket") and/or a UEFA Nations League Finals™ 2021 (hereinafter "Accreditation"), including all entrances and exits.

These Stadium Rules shall, for the period during which a Ticket or Accreditation is needed to enter the Stadium, (subject to applicable laws and regulations and unless otherwise notified by UEFA) replace the stadium rules of the Stadium which governs other matches and/or events played and/or held at the Stadium during other periods.

In addition to these Stadium Rules, all persons shall comply with the UEFA Nations League Finals™ 2021 Code of Conduct for Spectators or the UEFA Nations League Finals™ 2021 Code of Conduct for Accredited Persons, as applicable.

### Code of Conduct:

- Entry to the Stadium shall constitute acceptance of these Stadium Rules and Regulations and compliance therewith.
- Permission to enter and to remain within the Stadium shall be subject to the possession of a valid ticket and to the compliance with these Stadium Rules and Regulations; the non-compliance therewith will result into immediate termination of the contract, with the consequent offender's banishment from the Stadium and the application of an administrative fine ranging from 100 to 500 euro. In the event the offender has already been sanctioned during the same football season, including in another stadium, due to the same violation of the Stadium Rules and Regulations, the fine may be increased by up to half of the maximum amount and a banning order may be imposed on the offender with respect to any sports event.
- As a rule, entry to the Stadium is granted to ticket holders only through the gate indicated on the Ticket.
- Tickets are personal and not transferable to any third party, except for the cases and according to ways provided by the relevant Ticketing Terms and Conditions of UEFA.
- Visitors who buy tickets in violation of the procedures for the segregation of opponent teams' supporters may not be allowed to enter the Stadium. In the event said violation is identified after entry to the Stadium, the offender in question may be ejected from the Stadium.
- Any person seeking access to the Stadium shall exhibit a valid identity document at the pre-filtering gates in addition to the Ticket, in order to allow entry control personnel to check the matching of the ticket holder and the actual user thereof.
- The Ticket shall be exhibited whenever requested by stewards and, in any case, kept until the exit from the Stadium.
- All persons entering the Stadium may only occupy the seat allocated to them by their Ticket, and therefore, upon ticket purchase, they undertake not to occupy any other seat, even if not occupied by any other person, without the express permission of UEFA, the Host Association and/or the Stadium Owner (as defined in the relevant Ticketing Terms and Conditions).
- All persons seeking entrance to the Stadium acknowledge that they may be searched also by stewards and through metal detectors for the purpose of avoiding the introduction into the Stadium of unlawful, prohibited and/or hazardous items, and they shall follow the instructions provided by the stewards.

- Access to Hospitality areas is regulated by the rules shown next to the entrances thereof and inside the lounges.
- The Stadium Owner (as defined in the relevant Ticketing Terms and Conditions) and/or the club at whose stadium the relevant UEFA Nations League Finals™ 2021 match is played may refuse entry to the Stadium, including at upcoming events, to any person who violates these Stadium Rules and Regulations in the absence of a legal banning order.
- Conduct that is unlawful or otherwise contrary to law or regulations constitutes a violation of these Stadium Rules and Regulations.
- Any person seeking to enter and remain inside the Stadium for any reason whatsoever must have their body temperature measured. Entry will be refused to anyone whose body temperature has been detected as exceeding 37.5 °C and/or presenting with COVID-19 symptoms (including, but not limited to: sore throat, cough, difficulty in breathing, loss of taste or smell, diarrhoea, widespread joint and muscle pain, or other COVID-19 related signs and symptoms).
- During the health emergency period, any person seeking to enter and remain inside the Stadium for any reason whatsoever must provide all the self-certifications on health status required by UEFA, the Host Association and/or the relevant authorities, as well as further certifications required by current *pro tempore* legislation (i.e., *Green Certificate COVID-19*) aimed at containing the risk of COVID-19 infection. Any person not in possession of all the required documentation will be refused admission to or ejected from the Stadium.
- During the health emergency period, any person seeking to enter and remain inside the Stadium for any reason whatsoever must wear a protective face mask (i.e., surgical, FFP2 masks without valve, with valve, etc.). Any person not wearing a protective face mask will be ejected or refused entry to the Stadium. The essential requirement to verify the identity of any individual seeking to enter the Stadium remains unchanged; therefore, if the steward is unable to identify a person with certainty due to the partial covering of their face, they may ask the person to move at least 2 metres away and temporarily uncover their face for correct identification.
