BIG SHOT
VELIKA ZVIJEZDA

FAROESE FIRST PRVI NASTUP ZA FARSKE OTOKE

Faroe Islands goalscorers Hanus Sørensen (left) and Tórir Jacobsen celebrate the 2-1 victory against Slovakia that earned their side qualification. It is the first time at any level that the Faroe Islands have reached a UEFA final tournament. "This is an outstanding result," Faroe Islands FA president Christian Andreassen said. "The Faroe Islands are the smallest nation ever to qualify for these finals. This is a very talented group of players and we expect to see much more from them in the future." Coach Áki Johansen, meanwhile, is already planning the next challenge. "We have three tough matches on our hands and a very exciting experience for our hard-working boys," he said.

Hanus Sørensen (lijevo) i Tórir Jacobsen, strijelci za reprezentaciju Farskih otoka u pobjedi 2:1 protiv Slovačke, slave pobjedu koja je njihovu reprezentaciju dovela na prvenstvo. Ovo je prvi puta da se reprezentacija Farskih otoka plasirala na bilo koji UEFA-in završni turnir. „Ovo je vrhunski rezultat“, rekao je predsjednik Nogometnog saveza Farskih otoka Christian Andreassen. „Farski otoci su najmanja zemlja u povijesti koja se kvalificirala za završnicu ovog natjecanja. Ovo je vrlo talentirana skupina igrača, i očekujemo puno od njih u budućnosti“. U međuvremenu, izbornik Áki Johansen već planira sljedeći izazov. „Pred nama su tri teške utakmice, naše vrijedne dečke čeka vrlo uzbudljivo iskustvo“, rekao je.

UEFA PRESIDENT'S MESSAGE PORUKA PREDsjedNIKA UEFA-E

It is my pleasure to welcome you to the UEFA European Under-17 Championship finals. It is the first time that a UEFA youth final tournament is being held in Croatia, and we are thankful to the Croatian Football Federation (HNS) and its president Davor Šuker for their work in organising this event.

From Cristiano Ronaldo to Andrés Iniesta, many of Europe's brightest stars have taken their first steps in international football in this competition, and we look forward to watching some of the continent's most exciting young talents over the next fortnight, then following their progress in the years ahead.

Sixteen teams are taking part for the third year in a row, giving more youngsters the chance to gain valuable tournament experience. The expanded tournament was a huge success in Azerbaijan last summer, with record crowds highlighting how popular and important this competition has become. I would like to wish all of the players the best of luck, and may the best team win!

Zadovoljstvo mi je poželjeti vam dobrodošlicu na završni turnir UEFA-inog Europskog prvenstva za igrače do 17 godina. Ovo je prvi puta da se završni turnir jednog UEFA-inog natjecanja u mladim kategorijama održava u Hrvatskoj te zahvaljujemo Hrvatskom nogometnom savezu (HNS) i njegovom predsjedniku Davoru Šukeru za njihov rad na organizaciji ovog događaja.

Od Cristiana Ronalda do Andrésa Inieste, mnoge od najsjajnijih europskih nogometnih zvijezda prvi susret s međunarodnim nogometom doživjele su upravo na ovom natjecanju. Radujemo se što ćemo u sljedeća dva tjedna gledati neke od najvećih mladih talenata te u narednim godinama pratiti njihov razvoj.

Drugu godinu zaredom na ovom natjecanju sudjeluje šesnaest ekipa, što daje većem broju mladih igrača priliku da steknu vrijedno turnirsko iskustvo. Prošireni format turnira pokazao se vrlo uspješnim prošlog ljeta u Azerbajdžanu, uz rekordni posjet koji je pokazao koliko je ovo natjecanje postalo popularno i važno. Svim igračima želim puno sreće, i neka najbolja ekipa pobijedi!

WELCOME TO CROATIA DOBRODOŠLI U HRVATSKU

It is with joy that I extend a warm welcome to all the players, fans and other visitors to Croatia for this month's UEFA European Under-17 Championship.

We are grateful to UEFA for giving us the opportunity to host our first youth finals. While staging a successful 16-nation EURO at this level of football represents an organisational challenge, our talented and hard-working team at the Croatian Football Federation (HNS) is totally dedicated to delivering a top-class tournament.

Croatia is one of the world's most beautiful countries, and we are looking forward to introducing its many wonders, as well as our hospitality, culture and cuisine, to participating players, coaches, staff, officials, fans and media. Though only one side can win the trophy, all our guests can relish the tournament experience on and off the pitch – and that is our goal as hosts.

I wish everyone a memorable stay in Croatia as well as a fabulous footballing showpiece played in a spirit of respect and fair play by the continent's best U17 teams.

Vrlo sam sretan što mogu poželjeti srdačnu dobrodošlicu svim igračima, navijačima i drugim gostima Hrvatske na UEFA-ino Europsko prvenstvo za igrače do 17 godina.

Zahvalni smo UEFA-i što nam je omogućila da po prvi puta budemo domaćini finalnog natjecanja u mlađim kategorijama. Iako je organizacija uspješnog Eura sa 16 zemalja na ovoj razini veliki organizacijski izazov, talentirana i vrijedna ekipa Hrvatskog nogometnog saveza dat će sve od sebe da turnir opravda visoka očekivanja.

Hrvatska je jedna od najljepših zemalja na svijetu, i veselimo se što ćemo igračima, trenerima, osoblju, dužnosnicima, navijačima i medijima moći predstaviti naše brojne ljepote, gostoljubivost, kulturu i hranu. Iako samo jedna reprezentacija može osvojiti pehar, svi naši gosti mogu uživati u turniru na terenu i izvan njega, što nam je kao domaćinima i cilj. Svima želim da im boravak u Hrvatskoj ostane u pamćenju te se nadam odličnom nogometu najboljih U17 reprezentacija, odigranom u duhu poštovanja i ferplej.

LIFT OFF

UZLIJETANJE

UEFA EURO 2016 winner Renato Sanches says playing with Portugal's U17s was key to his development

Two years. That was all the time it took for Renato Sanches to progress from a starring role at the 2014 UEFA European Under-17 Championship to continental glory at UEFA EURO 2016, the Portugal midfielder building on his youth tournament experience with astonishing speed. The U17 finals have long been a launch pad for the stars of tomorrow, and Sanches's burgeoning promise was impossible to ignore at the 2014 event in Malta. A dynamic performer as he helped his side reach the semi-finals, the FC Bayern München player was a natural choice for a spot in UEFA's Team of the Tournament.

"Those competitions help you develop and grow," says the

19-year-old, whose team were ultimately knocked out by England. "You have a lot of responsibility. Those tournaments push you to give your best and represent your country well. They're a way for you to learn."

The 19-year-old certainly took every lesson to heart – like many of his illustrious forbears. First held in 2001/02 as a successor to the UEFA European U16 Championship, the tournament offers a vital early grounding in high-calibre competition – and players including Andrés Iniesta, Wayne Rooney and Mario Götze all first caught the eye at this level.

So, too, did Portuguese legends Cristiano Ronaldo and Luís Figo, the latter helping Portugal clinch the first of four U16 titles in 1989. Although the Iberian nation have prevailed just twice in the U17 era, they reasserted their pedigree by triumphing in Azerbaijan last May – when Sanches had an altogether different tournament on his mind.

The former SL Benfica tyro was a revelation at UEFA EURO

2016, becoming Portugal's youngest player and youngest goalscorer at a major finals. "It was a great moment for all Portuguese people, because we made history and I'm part of Portugal's history," he says, having also been named Young Player of the Tournament. "Every time I think about those moments, they're very good memories."

Much has clearly happened since his breakthrough displays in Malta, but Sanches has not forgotten his formative spell in Portugal's youth teams. "I've always maintained my friendships since then, and I stay in touch with many of them," he explains, before passing on a message to youngsters looking to follow his path.

"The advice I would give to younger players is to give their best in those tournaments and always represent their countries well. The best goal to have is to always be humble and a winner. Play well or badly but always give your best and try to win, because victories are what will give you happiness."

Član pobjedničke momčadi UEFA-inog Eura 2016. Renato Sanches kaže da je igranje u reprezentaciji Portugala do 17 godina bio ključ njegovog igračkog razvoja

Dvije godine. Samo je toliko Renato Sanchesu trebalo da se od zvijezde UEFA-inog Europskog prvenstva za igrače do 17 godina 2014. vine do kontinentalne slave na UEFA-inom Euru 2016. Osokoljen iskustvom s turnira mladih, portugalski veznjak napredovao je nevjerojatnom brzinom. Finale prvenstava U17 oduvijek je bilo lansirna rampa za zvijezde budućnosti, a Sanchesov raskošni talenat bilo je nemoguće ne primijetiti na natjecanju 2014. na Malti. Zbog pokretljive igre koju je pokazao proguravši svoju ekipu do polufinala, bilo je logično da ▶

današnji igrač Bayernu završi u UEFA-inoj momčadi turnira. „Ovakva natjecanja pomažu razvoj i rast igrača“, kaže danas 19-godišnjak, čiju ekipu je iz natjecanja tada izbacila Engleska. „Odgovornost je velika. Takvi turniri izvlače najbolje iz vas i nagone vas da predstavljate svoju zemlju što je bolje moguće. Na njima možete dosta toga naučiti“.

19-godišnjak je naučio uistinu puno, baš kao i njegovi brojni slavni prethodnici. Euro za igrače do 17 godina prvi je puta održan 2001./02. kao nasljednik UEFA-inog Europskog prvenstva za igrače mlađe od 16 godina. Turnir je prilika za važna rana sučeljavanja sa snažnom konkurencijom i igraču poput Andrésa Inieste, Waynea Rooneyja i Marija Götzea prvi su put zapaženi upravo na ovoj razini.

Isto vrijedi i za portugalske legende Cristiana RONALDO i Luísa FIGA, koji je 1989. pomogao Portugalu osvojiti prvu od četiri titule na U16 natjecanjima. Iako je ekipa s Iberijskog poluotoka tek dvaput postala prvakom otkad se natječu reprezentacije U17, vratili su se u elitu trijumfom u Azerbajdžanu prošlog svibnja. No, tada je Sanches razmišljao o drugom natjecanju.

Bivša mlada nada Benfice najveće je otkriće UEFA-inog Eura 2016, na kojemu je postao najmlađi igrač u povijesti portugalske ekipe i najmlađi strijelac na nekom finalnom turniru. „Bio je to sjajan trenutak za sve Portugalce, jer smo ušli u povijest, a i ja sam dio portugalske povijesti“, kaže Sanches, koji je proglašen i najboljim mladim igračem na turniru. „Rado se sjetim tih trenutaka, to su vrlo lijepe uspomene“.

Puno toga se dogodilo od njegovog proboja na Malti, no Sanches nije zaboravio svoje početke u mladim selekcijama Portugala. „Od tada se trudim održavati prijateljstva, i s mnogim kolegama iz ekipe sam i dalje u kontaktu“, pojašnjava. Ima i poruku za mlade igrače koji planiraju krenuti njegovim putem.

„Mladim igračima bih savjetovao da na ovim natjecanjima daju sve od sebe i predstavljaju svoju zemlju što je bolje moguće. Budite skromni, ali ne odričite se pobjedničkog mentaliteta. Bez obzira igrali dobro ili loše, uvijek dajte sve od sebe i pokušajte pobijediti, jer pobjede donose radost“.

ON THE RISE

U USPONU

Eight key players who could make the difference in Groups A and B

Osam ključnih igrača koji bi mogli presuditi nadmetanja u skupinama A i B

 **Jack Aitchison**
(Scotland / Škotska)

Technically excellent, Aitchison became Celtic FC's youngest player when he made his first-team debut aged 16 in May 2016, scoring with his first touch. Tehnički izuzetno potkovan, Aitchison je postao najmlađi igrač Celtica u svibnju 2016., kad je sa 16 godina debitirao u prvoj momčadi i zabio u prvom kontaktu s loptom.

 **Atalay Babacan**
(Turkey / Turska)

The Galatasaray AŞ playmaker (above left) has terrific technique and can dictate the tempo, while also scoring a team-leading five goals in qualifying. Kreativni veznjak Galatasaray (gore lijevo) ima sjajnu tehniku i može diktirati tempo utakmice, a istovremeno je strijelac pet pogodaka u kvalifikacijama, što je najviše u njegovoj reprezentaciji.

 **Maxence Caqueret**
(France / Francuska)

Contributing leadership, goals and stamina, the pacy Olympique Lyonnais midfielder has played every minute of France's campaign so far. Pokretljivi veznjak Lyona do sada je odigrao sve utakmice za Francusku, i svojoj ekipi donio ulogu vođe, pogotke i fizičku spremu.

 **David Čolina**
(Croatia / Hrvatska)

The GNK Dinamo Zagreb left-back (above) is Croatia's most experienced player. His excellent technical skills are backed up by pace, crossing ability and a powerful shot. Lijevi bočni branič zagrebačkog Dinama (gore) najiskusniji je igrač hrvatske reprezentacije. Svoju iznimnu tehničku vještinu nadopunjava pokretljivošću, dobrim ubačajima i moćnim udarcem.

 **Magnus Holm Jacobsen**
(Faroe Islands / Farski otoci)

Jacobsen is a calm, steady and hardworking defensive midfielder who does the simple things right and brings out the best in those around him. Jacobsen je smiren, stabilan i vrijedan defenzivni vezni koji jednostavne stvari radi kako treba, i izvlači ono najbolje iz onih koji ga okružuju.

 **Moise Kean**
(Italy / Italija)

The speedy Juventus forward became the first player born this millennium to appear in the UEFA Champions League when he faced Sevilla FC last November. Brzi Juventusov napadač prošloga studenoga u utakmici protiv Seville postao je prvi igrač rođen u ovom tisućljeću koji je zaigrao u UEFA-inoj Ligi prvaka.

 **Abel Ruiz**
(Spain / Španjolska)

Captain and talisman, the FC Barcelona forward was the second-highest scorer with four goals as Spain reached the final last time around. Napadač Barcelone kapetan je i zaštitni znak španjolske reprezentacije, koji je na prošlom prvenstvu s četiri pogotka bio drugi strijelac prvenstva, i time pogurao svoju ekipu do finala.

 **Dominik Szoboszlai**
(Hungary / Mađarska)

A fine attacking midfielder and the team's creative spark, Szoboszlai (above right, white shirt) scored last-gasp winners in the elite round against Russia and Norway. Kvalitetni ofenzivni veznjak i kreativna iskra momčadi (gore desno, bijela majica) odgovoran je je za pobjedonosne golove u posljednjim trenucima utakmica u elitnom krugu protiv Rusije i Norveške.

Group C / Skupina C

Players born on or after 1 January 2000 are eligible to play in this competition. If a quarter-final, semi-final or the final is drawn at the end of 80 minutes of normal time, the winner will be determined by a penalty shoot-out.

The four quarter-final winners qualify for the 2017 FIFA U-17 World Cup in India. The two best losing quarter-finalists enter a play-off for Europe's fifth berth.

Group B / Skupina B

Group D / Skupina D

Na natjecanju mogu sudjelovati igrači rođeni nakon uključivo 1. siječnja 2000. Četiri pobjednika četvrtfinalnih susreta plasirat će se na FIFA-ino Svjetsko prvenstvo u Indiji 2017. 'PRECIOUS EXPERIENCE'

'DRAGOCJENO ISKUSTVO'

Croatia coach Dario Bašić believes his players are ready to seize the moment

Hrvatski izbornik Dario Bašić vjeruje da su njegovi igrači spremni iskoristiti ovu priliku

What gives you most satisfaction as coach of the Under-17 team?

It's a huge honour to be national coach. I try to be honest and fair with my players, but I also want to prove myself to the people who hire me and to make the best impression I can.

How do you measure success?

I like to see how players react to my instructions. Of course it's nice to win, but it's also important to see a good reaction to something you told them to do. I always tell them to be relaxed, yet also to give their best on the pitch and never admit that anyone is better than them.

How important are tournaments like this for a player's development?

Where can you find a better chance to develop than playing here among the best teams in Europe? It is very important for any player to play at such a high level. At this age it is extremely important to have as many big matches as possible. It will give the players precious experience and show them where they belong in elite European football. It is crucial for them to learn how to accept advice and how to develop their talent.

How excited are your players about this tournament?

It will be a big experience for them. They have a chance to prove their quality and it can point their career in the right direction.

How much interest will there be in Croatia?

It's the first big final tournament in Croatia – not counting futsal – and in a country that loves football I expect there to be a lot of interest.

Will there be extra pressure on your players as hosts?

Some may think we could be under extra pressure, but we'll have home support, familiar stadiums and conditions we're used to.

Što Vam, kao izborniku reprezentacije U17, pričinjava najveće zadovoljstvo?

Velika je čast biti izbornik reprezentacije. Pokušavam biti iskren i korektan prema svojim igračima, ali se želim i dokazati ljudima koji su me angažirali, te ostaviti najbolji mogući dojam.

Što je za Vas uspjeh?

Volim vidjeti kako igrači reagiraju na moje upute. Dakako, lijepo je pobjeđivati, no važno je i vidjeti da reagiraju na nešto što sam im rekao da rade. Uvijek im govorim da budu opušteni, ali i da daju sve od sebe na terenu, te da nikad ne priznaju da je bilo tko bolji od njih.

Koliko su važni ovakvi turniri za razvoj igrača?

Postoji li bolja prilika za razvoj od igranja protiv najboljih europskih momčadi? Za bilo kojeg igrača vrlo je važno zaigrati na ovako visokoj razini. U ovoj dobi iznimno je važno igrati što više velikih utakmica. One igračima daju dragocjeno iskustvo, i pokazuju im kamo pripadaju u europskoj nogometnoj eliti. Ključno je da igrači nauče kako prihvatiti savjet i kako razviti vlastiti talent.

Koliko su Vaši igrači uzbuđeni zbog igranja na ovom turniru?

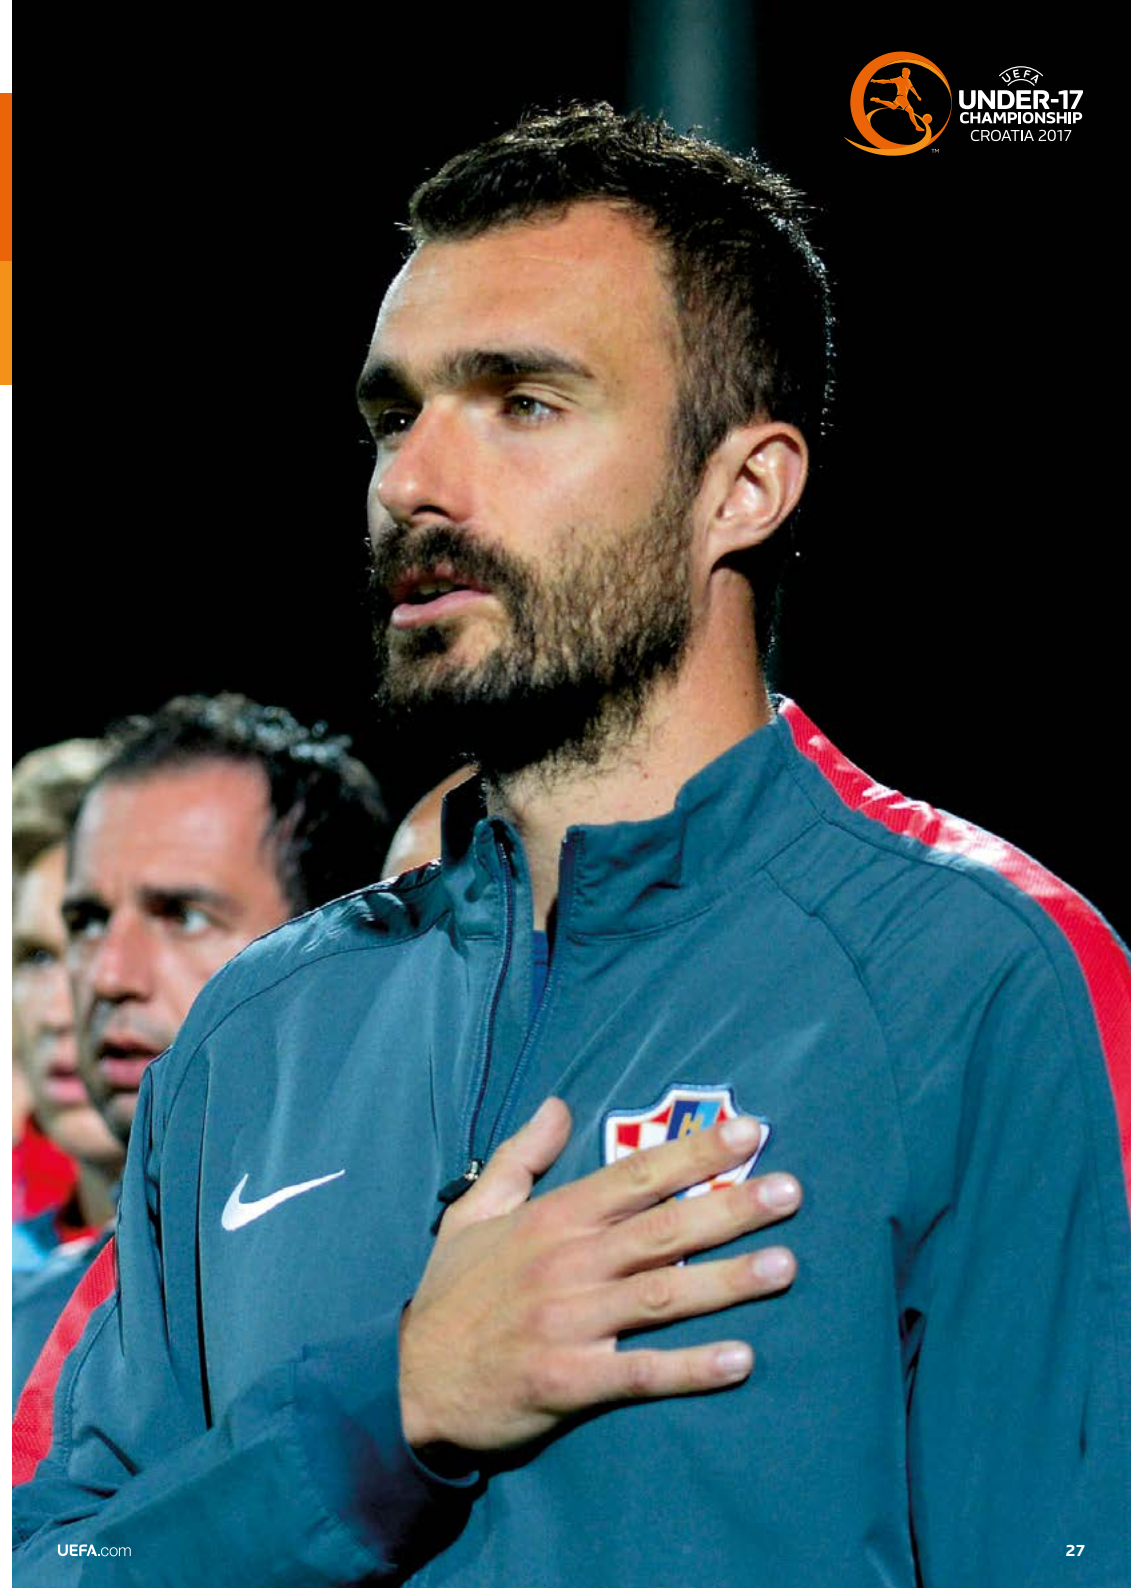

Za njih će ovo biti važno iskustvo. Imaju priliku dokazati kvalitetu, a to može usmjeriti njihove karijere u pravom smjeru.

Koliki interes za turnir očekujete u Hrvatskoj?

Ovo je prvi veliki finalni turnir u Hrvatskoj, ne računajući futsal. U zemlji koja obožava nogomet, očekujem veliki interes.

Vrši li dodatni pritisak na Vaše igrače činjenica da ste domaćini?

Neki možda misle da je za nas to dodatni pritisak, no na našoj strani bit će domaća publika, poznati stadioni i uvjeti na koje smo navikli.

ON THE RISE

U USPONU

Eight key players who could make the difference in groups C and D

Osam ključnih igrača koji bi mogli presuditi nadmetanja u skupinama C i D

Aaron Connolly

(Republic of Ireland / Republika Irska)

The livewire striker (above left) has been a regular scorer at youth level with Brighton & Hove Albion FC and took that form into qualifying with a competition-high seven goals.

Dinamični napadač (gore lijevo) redovan je strijelac u mladoj kategoriji kluba Brighton & Hove Albion, a svoju dobru formu naplatio je i u kvalifikacijama sa sedam pogodaka, čime je postao najbolji strijelac.

Oleksiy Kashchuk

(Ukraine / Ukrajina)

The FC Shakhtar Donetsk attacking midfielder scored four times in six qualifiers, including the added-time winner against Austria that earned Ukraine's place in Croatia.

Ofenzivni veznjak Šahtara zabio je četiri puta u šest kvalifikacijskih utakmica, a među tim pogocima je i onaj presudan za plasman na ovo natjecanje u Hrvatskoj – pobjedonosni gol u sudačkoj nadoknadi protiv Austrije.

Colin Rösler

(Norway / Norveška)

Son of former Manchester City FC forward Uwe Rösler, Colin is following in his dad's footsteps at the Premier League club. Rösler Jr is comfortable in either midfield or defence.

Sin Uwea Röslera, bivšeg napadača Manchestera, krenuo je stazama svoga oca u ovom premierligaškom klubu. Rösler mlađi može igrati u veznom redu, ali i u obrani.

Armin Đerlek

(Serbia / Srbija)

OFK Beograd tyro Đerlek, who has captained his country at U15 and U17 level, is an attacking midfielder with the technical ability to change a game. Đerlek, nada OFK Beograda koja je bila reprezentativni kapetan u selekcijama U15 te U17, ofenzivni je veznjak s tehničkom vještinom pomoću koje može preokrenuti utakmicu.

Jadon Sancho

(England / Engleska)

This tricky winger (above right) scored four goals in qualifying, including two against Slovenia. The Londoner moved to Manchester City FC from Watford FC in 2015.

Ovaj neugodni krilni igrač (gore desno) zabio je četiri pogotka u kvalifikacijama, od čega dva Sloveniji. Mlađi iz Londona 2015. je prešao u Manchester City iz Watforda.

Jann-Fiete Arp

(Germany / Njemačka)

The pacey, 1,85m tall Hamburger SV striker cites Harry Kane as his idol and, like the England player, he is technically gifted and extremely clinical. Pokretljivi napadač Hamburger SV-a visok 1,85 m navodi Engleza Harryja Kanea kao svog idola, i, baš poput njega, tehnički je nadaren i vrlo učinkovit u završnici.

Daishawn Redan

(Netherlands / Nizozemska)

Redan (above right) is the Netherlands' multi-tasking skipper who can play as striker, winger or playmaker. The AFC Ajax prodigy's four goals were a big factor in securing qualification. Redan (gore) nizozemska je "katica za sve", koji može igrati kao napadač, bočni igrač ili središnji vezni. Četiri pogotka Ajaxova talenta bila su vrlo važna za osiguravanje plasmana na ovo natjecanje.

Dobrica Tegeltija

(Bosnia and Herzegovina / Bosna i Hercegovina)

Only 16 when he made his debut for FK Vojvodina, the defender showed his maturity by scoring the winning penalty against the Czech Republic in qualifying. Branitelj koji je imao tek 16 godina kad je debitirao u prvoj postavi Vojvodine zrelost je pokazao realizacijom odlučujućeg jedanaesterca protiv Češke u kvalifikacijama.

SPOILT FOR CHOICE

Tournament ambassadors Niko Kranjčar and Eni Jurišić give their tips on the best of Croatia

Fans visiting Croatia in May are in for a real treat, according to former international stalwart Niko Kranjčar and the performer of the official tournament song, Eni Jurišić. The country has become a tourism hotspot in recent years, thanks to its breathtaking Adriatic coastline, natural wonders and rich history. Supporters looking to while away the time between matches will be spoilt for choice, especially if they make a trip to Zagreb (above), the capital and Kranjčar's home town.

"Zagreb has something for everyone," says the Rangers FC midfielder, who won 81 caps for Croatia between 2004 and 2013. "The upper town has been preserved well and has plenty of history, and Maksimir and Bundek parks offer

peace of mind. Meanwhile, Jarun Lake and Medvednica mountain are the perfect destination for nature lovers."

Just make sure to bring a camera, says the well-travelled 32-year-old. "I recommend a visit to the top of the castle to take a photo overlooking the city, then buy fresh fruit at Dolac Market and take in a picnic in Zrinjevac Park near the main square. You should also visit the Plitvice Lakes national park, one of the most beautiful locations in the world."

The local delicacies are not to be missed either, and Kranjčar recommends Zagreb's famous *štrukle*, a baked dough with filling. Seafood dominates the menu in Rijeka and local pop star Jurišić believes Dalmatian cuisine is hard to match, with highlights including shrimp risotto, tuna carpaccio

and Adriatic squid. "You should try them all," she says.

The coastal city has plenty more in its favour too. "I'd certainly recommend visiting Trsat Castle, the Maritime and History Museum, the Governor's Palace and Mololongo," says Jurišić, whose song *As One* is destined to be the soundtrack of the finals. "My favourite beach is Zurkovo, in Kostrena, but you shouldn't miss Sakarun Bay, which is ranked as one of the most beautiful beaches in the world."

Ako je vjerovati nekadašnjem hrvatskom internacionalcu Niki Kranjčaru i izvođačici službene pjesme natjecanja, Eni

Jurišić, navijače koji će u svibnju posjetiti Hrvatsku čeka obilje zanimljivosti. Zahvaljujući jadranskoj obali koja oduzima dah, brojnim prirodnim atrakcijama i bogatoj povijesti, ova zemlja posljednjih je godina postala prava turistička atrakcija. Navijačima se između utakmica nudi toliko toga, posebno ako se upute u glavni grad Zagreb, ujedno i Kranjčarov rodni grad. "Zagreb nudi za

Ambasadori natjecanja Niko Kranjčar i Eni Jurišić savjetuju što sve vidjeti u Hrvatskoj

svakog ponešto", kaže veznjak Rangersa, koji je između 2004. i 2013. zabilježio 81 nastup za hrvatsku reprezentaciju. "Gornji grad je odlično očuvan i nudi niz povijesnih znamenitosti, a želite li spokoj, otidite u parkove Maksimir i Bundek. Jezero Jarun i planina Medvednica savršene su destinacije za ljubitelje prirode."

Svakako ponesite fotoaparat, kaže 32-godišnjak koji je puno proputovao. "Preporučujem fotografiranje s pogledom na grad s vrha gornjogradske kule, potom kupnju svježeg voća na tržnici Dolac, i na koncu – piknik u parku Zrinjevac nedaleko glavnog trga. Također, trebate posjetiti nacionalni park Plitvička jezera, jedno od najljepših mjesta na svijetu."

Ne treba propustiti niti lokalne

specijalitete, od kojih Kranjčar preporučuje štrukle, jelo od domaćeg tijesta s nadjevom. U Rijeci, pak, jelovnikom dominira morska hrana, pa tamošnja pop zvijezda Eni Jurišić kaže da je primorska kuhinja nenadmašna. Najbolji su rižoto od škampa, carpaccio od tune i jadranska lignja. "Probajte ih sve", kaže ona.

Štošta lijepog može se vidjeti i u ovom primorskom gradu. "Svakako preporučujem posjet Trsatskoj gradini, Guvernerovoj palači i lukobranu Molo longo", kaže Jurišić, čija pjesma "Kao jedno" je idealna glazbena podloga natjecanja. "Moja omiljena plaža je Žurkovo u Kostreni, ali nemojte zaobići Sakarun, jednu od najljepših plaža na svijetu".

PLAYER EDUCATION OBRAZOVANJE IGRAČA

Key lessons in the fight against match-fixing and doping

Ključne lekcije u borbi protiv namještanja utakmica i dopinga

Warning young footballers about the dangers of doping and match-fixing is a priority for UEFA, and education sessions are being held during this tournament to underline the consequences for anyone caught committing an anti-doping rule violation or manipulating matches. Players are briefed on every aspect of doping, what they should and should not do, and what the penalties can be if they violate the rules. The warning is designed to act as the strongest deterrent. The same goes for match-fixing: UEFA's zero-tolerance stance means offenders are banned from the game for life. Youngsters hear about match-fixing's threat to football's integrity and why, if approached, they must inform UEFA or their national association. Through its education drive, UEFA protects young players, as well as the game itself.

Prioritet UEFA-e jest upozoriti mlade igrače na opasnost dopinga i namještanja utakmica. Stoga se tijekom ovog natjecanja održavaju i obrazovni skupovi, čiji cilj je istaknuti posljedice za one koji prekrše antidopingška pravila, ili budu uhvaćeni u namještanju utakmica. Igrači se upoznaju sa svim detaljima vezanima za doping: što smiju, što ne smiju, i kakve kazne ih čekaju ako prekrše pravila. Cilj upozorenja jest jasno odvratanje igrača od prekršaja. Isto vrijedi i za namještanje utakmica. UEFA-ina politika nulte tolerancije znači da prekršitelje čeka doživotna zabrana igranja. Mladi također mogu doznati više o tome zašto je namještanje utakmica prijetnja integritetu nogometa, i zašto, ako im netko ponudi da namjeste utakmicu, to moraju prijaviti UEFA-i ili nacionalnom savezu. Kroz obrazovanje UEFA štiti mlade igrače, kao i samu igru.
